The Details

Child support ratios are determined by risk assessment and work in combination with other children attending. Activities in The Warehouse ratios of care can be at 1:1 or 1:2. All excursions will be supported at 1:1 ratio of care. If your child is sick on the day please cancel their session. We cannot share illness to other children or staff.

Billing Items

Holiday sessions are planned and supervised by a registered counsellor.

CORE: Assistance with social, economic and community participation - Group and Centre Based Activities 1:1 or 1:2 plus centre capital cost, activity based transport (as needed)

CAPACITY BUILDING: Early Childhood Intervention / Therapy Supports (1hr)

All sessions have 1hr non face to face (total) of setup and pack up to ensure the facility is safe and ready for the attendees. During this time, pickups/drop offs also occur.

Parent costs apply to activities requiring ticketed entry and will be billed separately to confirm the booking

Please enquire about total costs per session and ensure you have adequate funding.

Session Times & Locations

All Warehouse sessions take place in our Kippa Ring location: 9/3-5 High St, Kippa Ring. All excursions start at The Warehouse for ease of drop off and pick up, as well as to keep the children in a routine.

In Warehouse Days commence at 9am and conclude at 3pm. Transport can be arranged and group travel shares the cost of this.

Excursion Days commence at 9am unless otherwise advertised based on the event. We endeavour to have children back in the Warehouse as close to the end time as possible.
